Knižnica programu FluidSIM - PNEUMATIKA - 20 Controller :)

Pneumatic

- Supply Elements 01/15
- Actuators 02/11
  - Frequently used cylinders 03/9
- Valves
  - Configurable directional valves 04/6
  - Frequently Used Way Valves
    - Mechanically Operated 05/9
    - Pneumatically Operated 06/6
    - Solenoid Operated 07/8
  - Shutoff Valves and Flow Control Valves 08/17
  - Pressure Control Valves 09/9
  - Proportion valves 10/2
- Valve Groups 11/8
- Measuring Instruments and Sensors 12/10

Electrical Controls

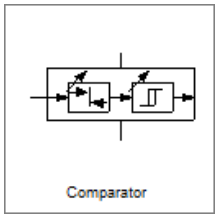

- Actuators 13/2
- Power Supply 14/4
- Measuring Instruments and Sensors 15/9
- Relays 16/7
- Switches
  - Manually Operated 17/6
  - General Switches 18/3
  - Proximity switches 19/4
- **Controller 20/3**
- Ladder Symbols 21/12

Digital Technique 22/28
EasyPort/CPD/DDE 23/4
GRAFCET 24/6
Miscellaneous 25/10

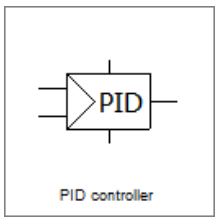

Controller

- Comparator
- PID Controller
- Status controller
