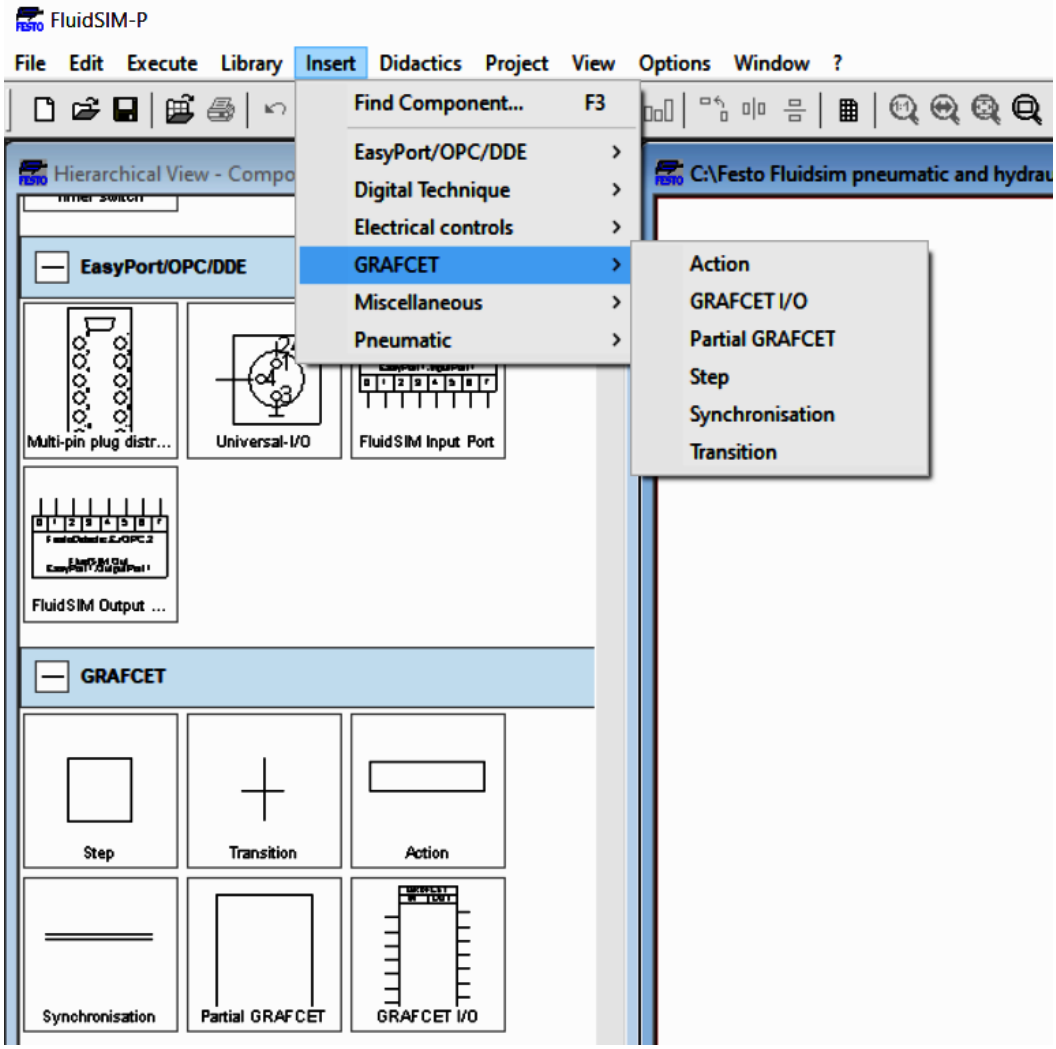
Help pre programovanie v jazyku Grafcet v programe FluidSIM :)

1. Ako vložím objekty programovacieho jazyka Grafcet na pracovnú plochu v programu FluidSIM?

Objekty programovacieho jazyka Grafcet na pracovnú plochu možno vložiť tak, že:

- využijeme hlavné menu programu FluidSIM,
- použijeme "preťahovanie" objektov z knižnice.



Ukážka vloženia objektov programovacieho jazyka Grafcet
